

## **Megacenter Status Update – June 28, 2012**

DPS has completed the hiring process for 243 of the 266 planned new field employees. These new employees are currently in training and are expected to be serving the public by September 1, 2012. The hiring process for the remaining employees will be complete also by September 1, 2012. The new facilities will feature online scheduling for drive tests, advanced queuing, a professional appearance and at least 25 highly trained employees in each new office.
